

DOCKET NO.: VERT-0003
Application No.: 10/087,363
Office Action Dated: June 17, 2004

PATENT

Amendments to the Specification:

Attached hereto is a proposed substitute specification including the reference numerals requested by the Examiner in the Official Action. Applicant has also attached a "tracked changes" copy illustrating the insertions. The substitute specification is offered in view of the numerous insertions of reference numerals throughout the specification.

Attachment: substitute specification and original specification with "tracked changes"
